Summer Camp

A MINISTRY OF THE HOLSTON CONFERENCE

EVERY SEASON

ECCLESIASTES 3:1-8

We recognize that our campers, despite their young age, have experienced a lot of uncertain times in their lives. We hope the study of this beautiful and well-known poem from Scripture will help them to understand more about living through different seasons and times in our lives. The most important lesson we hope to teach will be, as Bishop Debra Wallace-Padgett has preached on this particular text, "Every season is the right season for making disciples of Jesus Christ."

Online registration is available from the Summer Camp tab at campbaysmountain.com

CAMP BAYS MOUNTAIN

Our legacy began in 1947 when the M.H. Allison family donated 600 acres to form Buffalo Mountain Camp. Although the site has changed locations, our commitment to outstanding hospitality and faith formation remains a hallmark of camp and retreat ministry in our region. Our 2024 summer campers will continue in that legacy as they create new traditions, form new friendships, and experience the Creator in the midst of the Creation. Camp Bays Mountain's staff is passionate to "Move Them In, Move Them Up, and Move Them Out" as campers become disciples of Christ. Come and see what the Lord is doing...it will take your breath away!
